

Song PLUS EV Flagship Champion Edition Configuration Table

Size parameters	
Length × width × height (mm)	4785×1890×1660
Wheelbase (mm)	2765
Wheelbase front/rear (mm)	1630/1630
Minimum turning radius (m)	5.55
Tire specifications	235/50 R19

Dynamic performance	
Motor form	AC permanent magnet synchronous motor
Motor maximum power (kW)	160
Motor maximum torque (Nm)	330
CLTC pure electric driving range under comprehensive operating conditions (km)	605
Battery capacity (kW.h)	87.04
Battery Type	blade battery
0-100% Slow Charging Time	7.5h
30-80% Fast charging time	28 Min
0-50km acceleration time (s)	4.0

Brakes & Suspension	
Front brake type	ventilated disc
rear brake type	disc type
Front suspension type	MacPherson independent suspension
rear suspension type	multi-link independent suspension

New energy configuration

Reserve charging system

Maximum 140kW DC fast charging interface

7kW AC charging interface

Household 220V AC charging gun (3 to 7)

VTOL mobile power station functions

VTOL 220V power output

brake energy recovery system

ECO/SPORT/NORMAL/snow driving mode

Battery intelligent temperature control management system

Distributed power battery management

Power battery heating system

Electric unlocking of charging port cover

External Configuration

Touch-sensitive wide-angle panoramic sunroof

shark fin antenna

roof rack

19-inch low-drag aluminum alloy wheels

Electric tailgate

Electric liftgate unlock

Front hatch cover gas spring opens

Tire repair device

Seat configuration

Leather seats

Integrated super-sensory seat

8-way power-adjustable driver's seat

Passenger 4-way electrically adjustable seat

Driver's seat heating

Driver's seat ventilation

Passenger seat ventilation

Rear seat backrest angle adjustment

Rear row 4:6 foldable seats

ISO-FIX child seat anchorage

Internal configuration

Eclipse blue + sky gray interior

Panoramic sunroof sunshade

Driver's sun visor (vanity mirror, lighting)

Passenger sun visor (vanity mirror, lighting)

12.3-inch full LCD screen instrument

Manual 4-way adjustable steering wheel

Steering wheel vibrates

Knitted fabric ceiling

Metal effect welcome pedal

12V backup power supply

Mobile phone wireless charging

Bluetooth key

Mobile phone NFC car key

Rear center armrest (cup holder)

Top-mounted glasses case

suitcase curtain

Intelligent connection configuration

DiLink 15.6-inch adaptive rotating suspension Pad

DiLink intelligent network connection system

5G speed connection

BYD Intelligent Cloud Service

Car Bluetooth system

Smart and precise navigation

Front USB interface x2

Rear USB interface x2

Hi-Fi speakers

INFINITY brand audio

car microphone

Intelligent voice control system

OTA remote upgrade

Control configuration

EPS electric power steering system

Intelligent Power Braking System (IPB)

Comfort parking control system

Body electronic stability system

EPB electronic parking brake system

Automatic parking system

hydraulic brake assist system

Anti-lock braking system

Electronic brake force distribution system

traction control system

hill start control system

Hill descent control system

vehicle dynamic control system

Anti-rollover control system

BOS brake priority system

ACC full-speed adaptive cruise system

ICC intelligent pilot control system

AEB automatic emergency braking system

Forward Collision Warning (FCW)

Rear Collision Warning (RCW)

Rear Cross Collision Alert (RCTA)

Rear Cross Collision Braking (RCTB)

LDWS lane departure warning system

LKS active lane keeping system

TJA traffic jam assist system

Intelligent speed limit alarm (ISLI)

Intelligent speed limit control (ISLC)

HMA intelligent high and low beam system

TSR traffic sign intelligent recognition system

remote start

Cloud service APP intelligent remote-control driving

Security configuration

Dual front airbags

Front seat side airbags

Front and rear through-type side curtain airbags

Front pre-tensioned force-limited seat belts

Rear side seat pre-tightened force-limited seat belts

Rear center emergency locking seat belt

Alarm for the driver not wearing a seat belt

Alarm for not wearing seat belt in rear seat

Direct tire pressure monitoring system (digital display)

Body electronic anti-theft system

Collapsible steering column

Collapsible brake pedal

Central door lock switch

Speed sensing automatic locking

Keyless entry system

Keyless start system

360° high-definition holographic transparent imaging system

APA automatic parking

12-probe front and rear parking radar

BSD blind spot monitoring system

DOW door opening warning system

LCA Parallel Assist System

RCTA reverse side collision warning system

RCW rear collision warning system

driving recorder

Lighting configuration

31-color surround colorful atmosphere light
Passenger intelligent interactive panel (no digital display)
LED headlight
Automatically turn on headlights
Headlight height manual adjustment
Dynamic welcome light
Integrated through-type LED taillight
Flow-type energy LED rear turn signal
Rear fog lamps
LED daytime running lights
Skyline LED High Mount Stop Light
luggage compartment lighting
charging port light
front door light
Headlights turn on/off in advance
Driver's footlights
Passenger footlight
Storage box interior lighting
Secondary instrument lighting
LED front interior light
LED rear interior light
LED rear license plate light
rear retroreflector
Electric folding exterior rearview mirrors
Electrically heated exterior rearview mirror defrost
Electrically adjustable exterior mirrors
Four-door window remote control lifting and one-button lifting
Remote control sunroof closing
Lock the car and automatically close the window
Press and hold the micro switch to automatically raise and lower the window
Auto-dimming interior rearview mirror
Rear privacy glass
Intermittent boneless wipers
Double-layer soundproof glass in the front row
Front windshield double-layer soundproof glass
Rear window electric heating defrost
PM2.5 Green Purification System
CN95 high efficiency filter
Engine/air conditioner remote control start and stop
Remote high temperature disinfection and sterilization mode
heat pump air conditioner
Dual temperature zone automatic air conditioning
Rear central air conditioning outlet
